Electrician Helper Certificate Program

The Electrician Helper Certificate Program is a hands-on training program for individuals interested in working in the industry. Students learn basic skills to prepare for a position as an electrical apprentice. The program is available for individuals who have an identifiable disability and have:

- ability to read/use a tape measure
- basic reading and mathematical skills
- dexterity and physical skills to perform electrical work including use of tools, ladders, scaffolds, and poles
- the ability to pass a drug test and background check

Class Location:

Central Community College — Grand Island Campus, Monday & Tuesday from 5:20 pm to 10:00 pm

Fall 2019 (8-19-2019 through 12-10-2019)
